SHELTON'S CAMPUSES:

Skyland Campus/C.A. Fredd Campus/Alabama State Fire College/Alabama Water Resource Center

Our new campus is located at 9500 Old Greensboro Highway.

HOW DO I ENROLL AT SHELTON?

ADMISSIONS

It's easy to become a part of the Shelton State family. An ACT or SAT score is not required. All you need is an accredited high school diploma or GED. Selected technical programs are available for students without a diploma or GED.

Come by any one of our campuses and pick up an application form or call (205) 391-2232 and request an application be mailed to you. There is no application fee.

TRANSCRIPTS

If you are a new or transfer student, please send a transcript from other colleges or high schools you have attended to Shelton State's Admissions Office, 202 Skyland Boulevard, Tuscaloosa, AL 35405. If you have a GED, please bring a copy of your diploma and scores to the Admissions Office.

ASSET - YOUR OPPORTUNITY FOR SUCCESS

To place new students in classes that will enhance their learning potential, the ASSET Placement Examination is given several times a week during the year and is required for new students. Offered on the Skyland Campus, the ASSET lasts approximately three hours and is free. For times and dates to take the ASSET, please call the Counselling Center, 391-2232.

HOW MUCH DOES SHELTON COST?

No matter what your educational goals may be, Shelton offers you the most education for your money. In a day of high technology, Shelton still offers you a faculty and staff who care about your success, the chance to develop your talents, and a place where your opinions and knowledge are important, all at an affordable cost.

The estimated cost of one semester for an Alabama Resident, full-time student (12 credit hours*):

Tuition	\$432
Maintenance Fee	18
Instructional Fee	72
TOTAL	\$522

*Each additional credit hour approximately \$43.50.

Subject to change without notice.

DOES SHELTON OFFER FINANCIAL AID?

Shelton offers several types of financial aid. Federal Aid includes the Pell grant, V.A., G.I. Bill, S.E.O.G., and College Work Study programs. These programs are available to qualified students. The college also offers various types of scholarships.

For more information on Shelton's scholarship program or to obtain a financial aid form, please stop by one of the college's Financial Aid offices.

WHAT ARE SHELTON'S CLASSES LIKE?

At Shelton, we take seriously our obligations to our students and to the community. With class size at Shelton relatively small, you can be sure you will receive the guidance and assistance you need. Also, Shelton offers a flexible schedule. A wide range of classes are offered during the day, evenings, and on Saturdays.

STUDENT LIFE

At Shelton you'll find many opportunities to get involved in college life. Shelton has a variety of clubs and organizations for students. Shelton offers a well-rounded sports program that includes intercollegiate men's baseball, basketball, and golf, along with women's basketball and softball programs. If you're looking for a place to work out and get in shape, Shelton's Wellness Center is the place for you.

SHELTON OFFERS A WORLD OF OPPORTUNITY

When you enroll at Shelton, you'll see your old friends and meet new friends. You'll be a part of the largest two-year college in the state—a distinction that Shelton didn't gain just by accident. Students know they can get a good education at a reasonable cost at Shelton State. Our new campus is currently under construction, and when complete will be one of the finest educational facilities in the South. Things are changing rapidly in today's world. Come be a part of this. . .

NEW TIME.
NEW WORLD.
NEW SHELTON.

SHELTON STATE OFFERS YOU A WORLD OF OPPORTUNITY

It's a new world out there today. International companies are coming to Alabama, and our state's products are being exported daily to countries all over the world. This new world offers unique challenges to the people of Alabama and to Shelton State Community College. Modern and complex technologies require new skills and knowledge. At Shelton we can provide you with the education and training you will need to compete in this new global marketplace.

Shelton State Community College is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to offer the Associate in Arts, Associate in Science, and Associate in Applied Science degrees. Shelton also offers many certificate programs and a wide range of courses through the Continuing Education Division.

To meet the needs of business and industry, Shelton's technical programs offer you the chance to learn the skills you will need for a career in tomorrow's fast-paced world. Also, many Shelton students transfer to the University of Alabama and other four-year colleges and universities. Shelton State offers most of the basic classes needed for the first two years of college, including the University of Alabama's CORE curriculum.
